

Blessings Walk at the Quogue Wildlife Refuge

Sunday, April 14 at 2:30 pm

Grab a water bottle, warm jacket, comfy shoes and a friend!

Our hike on the yellow trail will take us through 1.4 miles of this beautiful 305-acre nature preserve. The refuge features diverse habitats, including forests and ponds, as well as the ecologically rare Dwarf Pines in the Pine Barrens

What's a Blessings Walk? Let's start off on the right foot by reciting the Shecheyanu. As we walk, we'll learn about our role as keepers of the earth. Throughout our visit, we will learn the blessings for the wonders of nature.

This event is part of the **TBE Goes Yarok** Grant Program which has been funded by The Jewish Education Project and UJAFedNY but is open to our entire community.
