Dear Parents of Religious School Students,

It is time to register your child for the 2018/2019 Religious School year.

At this time, we need you to complete the enclosed registration form and provide your deposit of \$100 per student by August 20 to hold your student's place in his or her class. You may either mail the completed form and check to Temple Beth Emeth, PO Box 409, Mount Sinai, NY 11766 or you can place it in the "Financial Secretary" mailbox in the temple.

Please note tuition for each semester must be paid in full before the first day of class. (Havurah and Confirmation are due in full and may not be divided into two payments)

- All books must be paid for in advance.
- Temple membership dues must be up to date before registration.
- A \$25 per family activity fee will be collected upon registration. The activity fee will fund supplies and entertainment at our annual Chanukah Party and Purim Festival.

Please keep in mind that the first semester begins September 2018 and the second semester begins January 2019. The tuition fee schedule is provided below. No child will be allowed to attend the semester if payment has not been received.
